Committee Charge:

The Website Advisory Committee is responsible for providing input to and feedback on the planning and assessment processes related to the design and organization of the NC LIVE website and other web interfaces. The WAC ensures a web presence that is customer-driven and supports reliable and intuitive access to NC LIVE-provided resources, services, and related materials.

AGENDA

1. Introductions / Agenda Review / Minutes

Thanks to Melanie Morgan for her term as Chair, and welcome Jake into the position.

- Welcome to Kelly Spring. Kelly works at ECU as the Head of Manuscripts & Digital Curation.

2. Resource Descriptions

Daniel presented on NC LIVE's resource description update project and the WAC's involvement.

- Daniel: Our resource descriptions were really long, and we wanted to work on shortening those. Thank you everyone for pitching in.

3. Resource Status Project

Daniel presented the new resource status page. The WAC will provide feedback and recommendations.

Recommendations

- Add in scheduled maintenance/alerts to the top table if we know a resource is going to be out.

4. NC LIVE Project Brainstorming

The WAC brainstormed possible project ideas for NC LIVE and its committees.

5. Updates from Committee Members

Committee members will have an opportunity to discuss relevant website and interface issues, ask questions, or get feedback about their own web projects.

6. Next Meeting

The next meeting will be held in the first two weeks of October, between October 3 - 13.

7. Adjournment
